

Percy & Bethie

Thank you so much for the lovely house warming gift. We could see that you put a lot of thought into it & chose everything with our taste in mind. We especially like the champagne, which we popped on Thanksgiving day & treated our new house with the best. And the Portuguese Good Luck chicken will prove to be a reminder of the contractor who built the house & his wife who put up with the many long hours required away from home. We are so lucky to have had you for our contractor and friend. Love Jack & Bev.
