

Percy,

We just wanted to express our thanks for building us such a beautiful home. We sincerely appreciate all your extra time, hard work, and just putting up with us. It's nice to see someone who really takes pride in their work & goes that extra mile to make sure things are done right. Thanks!  
Hope you can use this & take your wife out since after all these long hours she's probably forgetting what you look like.

Sincerely,  
The Chiang Family
